Plan Your Visit

- **Health and Safety:** The health and safety of our audiences, staff and artists are of the utmost importance and we will make every decision with that in mind. We have put many actions in place to ensure everyone in our theatre is safe including installing air sanitizers, more sanitizing stations, and additional cleaning protocols. If we've learned anything in the last year, it is that the panoply of safety recommendations can shift rapidly and we will continue to shift alongside them as we prepare for opening our doors in October.
- **Restaurant Partner:** [Noir Lounge](#) has joined NCTC as an official partner and will exclusively offer subscribers 15% off at every visit.
- **Directions:** Get directions via public transportation or vehicle at nctcsf.org/getting-here

Ticket Exchanges & Purchases

- **Exchange tickets:** Subscribers may exchange tickets to any other date within the same series for no charge. For exchanges into a higher-priced series, the ticket price difference will be charged.
- **Discounted guest tickets:** Subscribers may purchase additional tickets to any performance in their package for half-price. These tickets may be reserved in advance and paid for at the door. To celebrate NCTC turning 40, up to eight (8) 40% off tickets may be purchased for each show.
- **Donate your tickets:** If you are unable to use your tickets, they can be converted into a tax deductible donation for the value of the ticket, not including handling fees.
